Why Food Truck Store.

**Ready for EU registration.**

Delivered with a European Certificate of Conformity, for registration in any EU country.

**A car licence, and that is it.**

750 kg gross weight: hook it up and go, no trailer licence needed.

**Ready to serve.**

Equipped and delivered ready to serve: plug in, install your equipment, open.

**A person, not a call centre.**

Food Truck Store, or our distributor for your country, answers you from quote to delivery.

What happens next, in three steps.

- 1 We get back to you.**
An adviser who knows the product answers your request.

- 2 Your detailed quote.**
Format, colour, options, delivery to your country: everything is priced.

- 3 Delivery.**
Your trailer arrives ready to serve; the delivery time is confirmed with your quote.
